Request for leave of absence for your child

For any leave of absence from school you are required to complete a "leave of absence/exceptional circumstances request form". This should be done at least 15 school days before the proposed absence takes place. If the absence is unauthorised, Cornwall Council may issue a penalty notice. Penalty notices are issued to each liable parent/carer of each child taken out of school and this carries a fine of £80 if paid within 21 days, increasing to £160 if paid within 28 days (or £160 with no option to pay the lower amount if it is the 2nd penalty notice within a 3 year rolling period. If the fine is unpaid, it may result in legal action being taken against you.

It is the duty of parents to ensure their child's regular attendance at school and failure to do so is an offence under Section 444(1) and Section 444(1A) of the Education Act 1996.

STRICTLY NO PARKING ON ZIG ZAGS & PLEASE THINK BEFORE YOU PARK

Please, no matter how briefly, do not park on the yellow zig zag lines or opposite them. Please always park considerately and always think if where you park could cause a danger to pedestrians.

We appreciate parking can be difficult but would ask that you allow a few minutes to park a bit further from the immediate school site and walk down. Thank you.

Wow! What an incredible quantity of Bags2Schools we received for our latest collection. We love that our families and wider community recycle with us. The children did a fantastic job passing all 330kg to the driver!

Dear Parents/Carer

Department of Education changes to Attendance

Updates to the Department for Education (DfE) statutory guidance on school attendance, most notably around penalty notices issued for absenteeism and irregular school attendance, took effect from this academic year.

As you know, leave during term time cannot be authorised by Heads of School unless there are 'exceptional' circumstances. This is in accordance with the Department for Education (DfE) legislation and the Aspire Attendance Policy.

Before booking leave, we strongly advise you to speak to the Head of School, particularly if you are unsure as to whether your request is deemed 'exceptional'. Where Heads of School are not able to authorise, you may be at risk of a penalty notice, in line with Local Authority guidance.

From this academic year, updated DfE statutory guidance sets out the new National Framework for issuing penalty notices and there are some changes you should be aware of. The penalty notice costs issued by the Local Authority have risen to £80 (if paid within 21 days) increasing to £160 if paid between days 22-28. If the penalty notice is not paid, the Local Authority can consider prosecution under Section 444(1) of the Education Act 1996. Penalty notices are issued on a per parent, per child basis.

IMPORTANT: Individual schools may refer absences to the LA who then issue penalty notices (each case is looked at individually). It is not the school/trust issuing penalty notices to parents, and any monies generated from these fines remain within the Local Authority to provide attendance support.

The government has changed the guidance around how many penalty notices can be issued to a parent. The new guidance states that only 2 penalty notices can be issued to a parent in respect of a particular pupil, within a rolling three-year period.

The first penalty notice costs are as outlined above. If a second penalty notice is issued, this is at a flat rate of £160. A third penalty notice cannot be issued and instead consideration must be given to alternative action, including prosecution.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. Your child's school may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days.

If your child is further absent from school without authorisation within any 3-year period, you will be committing a further offence under the Education Act 1996. Your child's school may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices for a second offence are issued per liable parent, per child and each carry a fine of £160, payable within 28 days.

Importantly, fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

Failure to pay the Penalty Notice may also result in legal action. If you are prosecuted and attend court because your child has not been attending school, you could get a fine of up to £2,500. Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Absence not authorised by the school may also result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Again, Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Money raised from fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government.

'Parent' as set out in Section 576 of the Education Act 1996, defines parent to include: natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and; any person who, although not a natural parent, has care of a child. Having care of a child means a person with whom a child lives and who looks after a child, irrespective of what their relationship is with said child.

With regards to the day-to-day attendance procedure within your child's school, there will be little noticeable change. If your child is absent for any reason, we will still ask you to contact the school office by 9am and staff will continue to regularly communicate home the importance of attendance, through the school newsletter, letters via email and/or face-to-face conversations.

If you are worried about your child's attendance, please talk to your child's class teacher or the Head of School at the earliest opportunity so we can work with you quickly and effectively to support positive change.

Thank you for your ongoing support
