

BREAGE C OF E PRIMARY SCHOOL

MONTHLY NEWSLETTER

NOV 2024

*Our school vision: to be a caring & loving school where children are equipped to flourish in the real world.
We flourish when we help others flourish (Jeremiah 29:4-7)*

Please send your child to school fully equipped each day. It is important that all clothing is named.

Stay & Play

“Stay & Play” is going well, it’s lovely to have the little ones in to play. 0-4 year olds are welcome along with their mum, dad, grandparent for some fun, play, & activities. A snack will be provided for the toddlers and tea/coffee for their guardian. No need to book: just arrive at 1.30pm (finish time 3pm). A donation of £1 is optional.

Young Voices London trip

Please pass back your O2 ticket request if you haven’t done so already. We’re also short on responses for t-shirt sizes - these are included in the price of the school trip - it’s recommended that you measure a t-shirt that fits your child comfortably and compare to the size guidelines on the order form. Please return asap. Thank you.

TEC Girls after school club

TEC Girls Club is going very well. The girls are really enjoying coding even when the Microbits decide to be a little glitchy. So far, they’ve coded to create a heat sensor, a light sensor and accessible tech with a light alert (sound to be added next time). This club is fully funded and aims to help more girls engage with technology, engineering and creative digital subjects. They’re looking forward to building their Eco-home when we visit the Eco Park in Porthtown.

EXPRESSION OF INTEREST FORM

STRICTLY NO PARKING ON ZIG ZAGS

Please, no matter how briefly, do not park on the yellow zig zag lines or opposite them. Please always park considerately and always think if where you park could cause a danger to pedestrians. Thank you.

P&F SCHOOL FUNDRAISING

The Sistema Recycled Playground Contest

Recycle your food containers and reusable water bottles and be in for a chance to win a playground with a frame made of 100% recycled materials—including recycled food containers—all thanks to our partnership with Sistema.

WE NEED YOUR OLD/BROKEN LUNCHBOXES & DRINK BOTTLES - Terracycle Playground Competition - please send into school even if it's only one box/bottle. Ask your friends/family/neighbours/work colleagues.

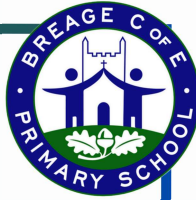

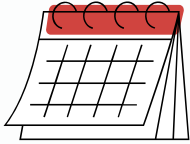

We are **FOURTH** on the leaderboard but the school in 1st place has over 700 pupils! In order to compete against these huge schools we need everyone spreading the word and asking friends, family, work colleagues etc to collect and pass this recycling to us (can you have a collection box at your workplace?). This will be an ongoing brigade but the contest ends on 18th December.

ENDING SOON: The plastic crisp, snack & nut wrappers brigade is finishing at the end of November so please send this waste in to us asap - we need a minimum of 20kg to qualify for points/£s. We're still collecting biscuit, cake & cracker wrappers and items for the air care brigade.

As advised on the last Newsletter, the pen recycling has ended as has the coffee packaging as these can be recycled in shops: writing instruments can be taken to WHSmith.

Please follow the new Parents and Friends of Breage C of E Primary School FB page.

Our Christian values: happiness, respect, care, forgiveness, friendship & honesty
