### Outstanding payments

Please could we request that any outstanding payments are cleared before the end of the summer term? We still have a large deficit on our school dinner registers which needs to be cleared. Any swim, breakfast club, music lessons or uniform payments please send in too.

### School Meals Price Increase - £2.30 from September

The price for a school meal has remained unchanged for the past 4 years. From September there will be a small increase from £2.20 to £2.30 per meal. On return to school in September we will be on Week 1 of the existing dinner menu. The current menu will run until the October half term.

### All Classes - Carrier Bag please

Please could all children please bring in a carrier bag (please name). Thank you.

### Win a playground - voting ends 23:59 on 24<sup>th</sup> July

We're still on the leaderboard but not progressing despite everyone's massive efforts! If everyone could continue to post on their FB page reminding all of their friends and family that we really need their votes and urge them to all spend just half a minute voting for our school. Currently we're in 9<sup>th</sup> place. If you haven't voted already please VOTE. If you have a workplace, please spread the word and get your colleagues voting too. Ask friends and family too! We really need 100% on board to be in with a chance of winning. There are 31 schools competing across the country. A reminder of last year's amazing prize.

### Parents & Friends - meeting - this Wednesday 2.30pm

Please come along - everyone welcome. This will be a finance-based meeting. Our treasurer will be attending. A final figure of the amount raised from the Summer School Fair will be totalled up.

### Children's University

Please remember to update your passports during the school holidays. There are lots of activities being run by approved providers that can be included as well as worksheets that can be downloaded from any Children's University website (ie not just CU Cornwall & Devon). The "reading challenge" being run by the libraries this summer will give your child 10 credits. Lots of links will be added as Mrs Brookes finds more during the Summer so please keep checking the school website ("Parents" tab, "Children's University").

### Change 4 Life - Star Wars train like a jedi

Coming home today are passport size wallets full of activities to keep your child active through-out the summer

holidays. The school office has spares if you would like an extra one for a sibling.

### Medication in school - please collect

Please could parents of children who have medication in school - particularly for asthma - please collect on the last day of school to take home to wash and sterilise?

### "Mischievous Makers" Summer Reading Challenge 2018

Pupils were sent home with a flyer last week giving details of the summer reading challenge which is available now in your local library. It is free to take part; just go along to your local library and sign up. Children are encouraged to read at least 6 library books of their choice - they all count. On return to school, participating children will be presented with a certificate and medal.

### Heartswell Therapies - Breage Village Hall fortnightly

Reflexology, Aromatherapy Massage, Sports Therapy Massage, Energetic Cellular Healing, Reiki, Seichem, Head, Neck & Shoulder Massage: FB#heartswelltherapies. Or contact Tina on 0792 3974016

### "What's On" for children this summer

We are often given details of various events, workshops etc. We are happy to pass on information received to everyone but ask that parents make their own decision as to the suitability for their children. A new tab will be added this week under "Parents" on the school website which will contain full details of each workshop, event etc as there isn't always space on the newsletter to include everything.
