Issue: Autumn 6: 07/11/2022

How are we in November already?! Last week Red Class had great fun reading spooky stories and getting messy with lots of firework art. Yellow Class had another awesome outdoor learning session on Friday afternoon which included making bird feeders. They are also now rather good at greeting people in French! Year 6 started their Bikeability training in the rain, and still managed to smile and enjoy themselves. They are continuing with their training this week - today and tomorrow. It was lovely to welcome parents into school for their parent appointments. Thank you to everyone who came along. As always, if there is ever anything you would like to speak to us about please just catch us on the gate or call the office.

I was particularly thrilled to give out an important Gold award in Friday's celebration assembly. Charlie D was asked to show a visitor around school and she reported back that his politeness and kindness had made her day! This is what Breage School is all about so thank you Charlie and well done!

Keep being kind.

Mrs Holliehead

School Pick Up!!!

Please, please make every effort to collect your children on time. While we appreciate there may occasionally be unforeseen delays, please let us know as soon as possible. Children can become very anxious when not collected punctually or if they do not know who is picking them up or when. Staff are working incredibly hard to enhance and improve school provision and after school is often a key time for meetings and organisation of the learning environment. Thank you for your help in this matter.

Bikeability

Bikeability will continue this week for Year 6 children. This will be playground based followed by riding on the road. Please check your child's bike and helmet.

Based on the Level One, Martin of Bikeability split the children this week to take smaller groups out today (and tomorrow) for their Level 2 (photos on Blue Class page). Today, Olivia, Dalton, Isla and Holly all passed their Level 2 and Martin was very pleased saying they had great listening skills, got involved and asked lots of questions. He used the word brilliant a few times! Well done children!

ARRIVING ON TIME/COLLECTION & ABSENCE PROCEDURE

Children can arrive from 8.45am ready for prompt registration at 9.00am. It is important that your child arrives on time. Did you know:

- the likelihood of success in learning is strongly linked to participation in the curriculum which is linked to arriving on time
- it is very important for children to develop habits of arriving on time at an early age, beginning from the time they start school.
- it makes sure that your child doesn't miss out on the important learning activities that happen early in the day when they are most alert
- early morning learning activities are often reading or writing and your child can miss opportunities to learn these foundation life skills
- arriving on time helps your child learn about routines and commitment
- it gives your child time to greet their friends before class and this can reduce the possibility of disruptions in the classroom and helps them to feel settled for the day, less anxious and rushed.
- arriving late can make your child feel uncomfortable and can upset others in the class
- arriving on time means registration & dinner orders can be taken promptly which means school meals are ordered on time which helps Porthleven kitchen and the school office.

COLLECTION

The school gates, for safeguarding purposes, will remain locked until 3.10pm ready for parents of Nursery and Red Class children to collect at 3.15pm. We would ask, to ease congestion and to make it safer for pedestrians, that parents with children finishing at 3.30pm do not arrive too early. Sometimes, the top playground is used later in the day and it may not be possible to unlock early. Please ensure you notify the school office if someone different is collecting your child.

ABSENCE

If your child is unable to attend school due to illness or medical appointments etc please ensure you ALWAYS notify the school office as early as possible. If children are absent and no reason is given, this will be followed up by a phone call. We're working hard to reduce administrative hours, so please help by contacting us first. This can be done by emailing secretary@breage.cornwall.sch.uk or telephoning the school office. Sometimes a message passed to a member of staff on the school gate might not reach the school office. We are not able to authorise holiday taken during term time and any taken will be marked as an unauthorised absence (unless in very exceptional circumstances).

THIS WEDNESDAY!!

Volunteers Needed

Annual General Meeting

**THE QUEENS ARMS, BREAGE, 7PM
WEDNESDAY 9TH NOVEMBER**

JOIN US!

Your field needs you!

It is looking highly likely that Breage Field Committee, who look after the park for the benefit of the community, will fold this coming AGM, unless new volunteers can be recruited. If you enjoy a safe space to play and socialise, like having a free party venue or participate in our community events, please consider helping out so it can continue!

Think someone else will do it??

They are thinking the same! Current members have new commitments and need to step back. Without the committee the Parish Council will be unable to look after the Field. In time this will ultimately see it closed as they will not be able to fund maintenance and repairs.

BENEFITS:

- Speak on behalf of your community on what you would like at the park
- Shape the future of our field
- Meet people in our community
- Improve CV
- Get out the house!

Your commitment can be minimal – please show your support for your local asset and join the AGM
