Frid 20<sup>th</sup>: Last day of school before Summer Holidays

Please think nut free when packing snacks/lunch boxes - we have a child with a nut allergy in school - thank you!

### Welcome to Hannah Rochner, Swiss student

A warm welcome is extended to Miss Rochner who has joined us for a few weeks as part of her English teaching experience. We hope she enjoys her time with us.

### Heart Start 1<sup>st</sup> Aid training - whole school

As you will have read on last week's school newsletter, Heart Start 1<sup>st</sup> aid training is taking place this week in school. Today covered the very basics - dealing with a conscious casualty and dealing with an unconscious casualty - when to call 999. Other year groups will go into more in depth 1<sup>st</sup> aid training appropriate for their year group.

### Red Class Swimming Lessons - none this Friday

There is no lesson this week. Red Class will have their last lesson next Friday, 6<sup>th</sup> July.

### Breage C of E Primary - updated privacy policy

Please could we ask you to view our new updated privacy policy available on our school website. This policy is to let you know how we as a school collect, use and process personal data. It is also designed to let you know your rights and what you can do if you have questions about personal data. If you are unable to access this document online please ask the school office for a copy.

### Parents' Afternoon/Evening - Monday 9<sup>th</sup> July

Please complete and return the slip below indicating your time slot preference. We will then try our best to give you an appointment during this time. Thank you.

### Terracycle - win a playground - voting has started

We've been on the leaderboard in 10<sup>th</sup> place a few times since voting started. There are 31 schools competing in total across the country. Our only Cornish competitor is Germoe School, which makes it very hard to ask for local support from our Councillor, MP, Tesco etc as they cannot be seen to be favouring one local school over another. However, I'm sure you'll all agree that the children here need to win this play structure so we must give this competition one final go. We need everyone on board supporting and promoting this anywhere and everywhere. We have to put in 5 times the effort just to match the pupil number ratio! The schools in 1<sup>st</sup> and 2<sup>nd</sup> have over 400 pupils on roll! If you have any ideas as to how to get our school more votes please speak to Jenny in the school office. We need a concentrated push all the way through the voting weeks in order to compete against the bigger schools. Let's do this and put many smiles on the faces of the children of Breage for many years! Our current play structure is old, worn, going rusty and is soon to be taken down. We are looking into funding opportunities but if we win this any money can be used elsewhere where it is also much needed. Thank you!!!

Below is a picture of the play structure won in last year's competition - wouldn't the children just love this!

### Headlice - please be vigilant and check hair regularly

Treat if necessary. School will phone home if an adult sees headlice in a child's hair. You will be asked to collect your child and treat before returning them to school. To minimise spread all children with long hair should tie it back.

### KS2 Playground / Car Parking / Collecting children

Please take care when walking through the playground when there are cars parked. The sensory garden is open for access in the morning. All children should be collected from the lower playground - children will not be permitted to walk up to and through the car park unsupervised.

### Breage School Fair - Saturday 23<sup>rd</sup> June

Didn't we have a lovely day for the school fair? Everyone seemed to have an enjoyable time. A HUGE thank you to everyone who organised the fair this year. An incredible amount of time and effort goes into this event and it is very much appreciated. Thank you to everyone who donated, helped out and supported this event making it such a success. The figure so far is £850 but this isn't the final figure as it is still being added to. Pre-school made a fantastic £101.65 on their cake stall and wine/water stall.

### Whole school - Fluency in reading has a huge impact on children's learning.

All children from Reception to Year 6 should be reading daily with reading recorded in their reading record book. Blue Class has homework set fortnightly, due in the following Friday. Blue Class should also practise spellings daily.

Reading

Spelling

### Cornwall Music - 5% price increase from September

All parents whose children receive lessons through Cornwall Music should be signed up online through the Music Service. It's quick and easy to do - if you have any queries please ask the school office. This increase, for example, will make the current £5.00 lesson £5.25. Everyone receiving lessons should now have signed up online with Cornwall Music (please see the school office if you haven't yet done so).

### Children's University - Graduation

Ruby, Kai, Becky and Caitlin H are attending the Children's University graduation this Saturday, 30<sup>th</sup>

June. This takes place at Penryn Campus (there will be signage directing you to where you need to go). Please note that there is no free parking on site. Please arrive for 13:45, to allow time for children to be fitted with a cap and gown, ready for a 14:00 prompt start.

### School Trends Uniform - Order Deadline

The summer term is a busy month for uniform companies. If you need to place an order for new uniform please ensure it is passed to the school office by the end of this Wednesday at the latest. Orders placed this week will arrive before we break up for the Summer.

### Sun cream, Sun hat and refillable water bottle

Please ensure your child has sun cream applied at the start of the school day and has some in their bag in order to re-apply if needed. Thank you.

Leavers' disco
