

# BREAGE C OF E PRIMARY SCHOOL

## MONTHLY NEWSLETTER

JANUARY 2024

*Our school vision: to be a caring & loving school where children are equipped to flourish in the real world.  
We flourish when we help others flourish (Jeremiah 29:4-7)*

## NEW!

In order to provide regularly updated school communication, this newsletter will be emailed home on the 1st Wednesday of each month. Updated diary dates will also be included on page 2. This newsletter is to communicate important information only: please follow our school FB where classes share their latest news and events with you.

## ROAD SAFETY

Thank you for your co-operation and understanding following the changes to drop off and collection arrangements. A member of staff will be outside each morning to see children into school. The pedestrian gate will be unlocked at 8.40am and locked at 8.55am. After this time, children can enter through the main office door. This allows for teaching staff to complete registration and start lessons promptly at 9.00am. Please do not park or stop on the yellow zig zags (no matter how briefly) - this area MUST be kept clear at all times to make it safer for pedestrians. Thank you.

INFORMATION: A394 corridor works starting soon: date to be advised but it's believed to be later this month. For full information, please see the link below. Plans specific to Breage are SN15 (overview) and SN13 and SN14 (zoomed in views). This work should greatly improve road safety along this route and make it safer for pedestrians.
